

THE SIGNAL BRUSH DAY & NIGHT SONG!

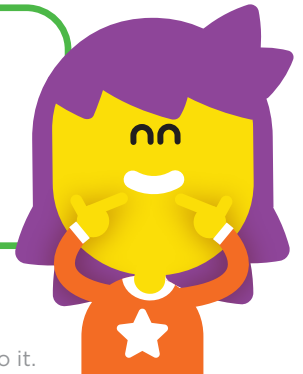

VERSE 1

Brush brush brush
your teeth
Ev'ry day and night

Pretend your finger is a toothbrush
and move it up and down.

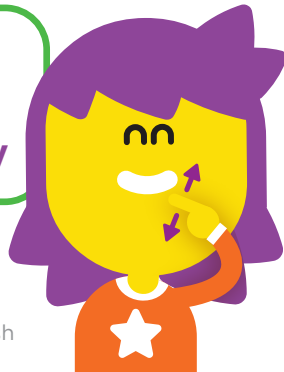

Up and down and
all around
Brush them clean
and bright!

Make a giant smile and point to it.

VERSE 2

Brush brush brush
your teeth
So they don't decay

Pretend your finger is a toothbrush
and move it up and down.

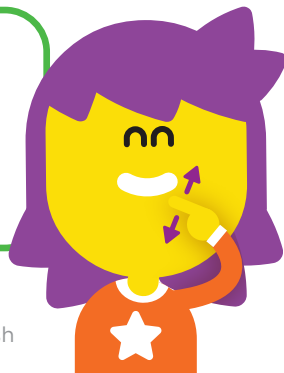

Underneath and in
between
Brush the germs
away!

Point your thumb over your shoulder
to tell the germ to get lost!

VERSE 3

Brush brush brush
your teeth
Brush with mom
and dad

Pretend your finger is a toothbrush
and move it up and down.

You'll love the taste
of Signall paste
And strong teeth
you will have!

Show your muscles and
another big smile!

family to brush twice a day with a fluoride toothpaste
