

THE SIGNAL BRUSH DAY & NIGHT PLEDGE!

I pledge...

Two fingers up, they represent day and night!

...to brush day!

Now make a happy sun with your fingers around your shiny smile!

I pledge...

Again with the two fingers just like Little Brush!

...to brush night!

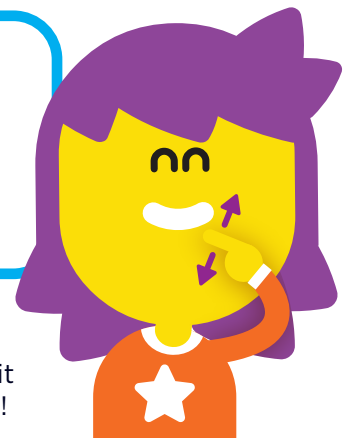

Pretend you're sleeping! No snoring!

I pledge...

One last time with the two fingers!

...to get my parents to brush day and night!

Pretend your finger is a toothbrush and move it up and down! Have Fun!

Improving oral health by encouraging you and your family to brush twice a day with a fluoride toothpaste
